Re: NCPA Training Institute 2020

Dear members,

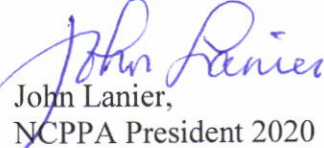

The Executive Board has been monitoring the recent COVID-19 outbreak. The Training Institute (TI) is a long-standing tradition and opportunity to bring all NCPA members together to interact, learn, and share information to assist us in performing our jobs as front-line responders. Recent orders by the Governor of the great State of North Carolina have hindered our ability to congregate in the office, and in public. This has prevented members from preparing and efficiently working on the TI for this Fall. The Executive Board has voted to cancel the TI for 2020. This was not an easy decision as we understand the TI is a vital part of our organization.

The Board is happy to announce the 2021 TI will be hosted by Division II next year and push the rotation forward one year. Division III will host the 2022 TI and continue per the constitution and By-Laws.

Contact your local Board Members to find out how you can get involved with your Division even with the COVID-19 protocol in place. Participating in fundraising events or distributing PPE equipment to staff and other front-line members in your area would be helpful. You could also collect food for local food banks, or volunteer to distribute food to local school children in your area. Even though we are under temporary protective measures we can continue to provide support to our members, staff, and community. Make sure you forward photos of the great work you are doing with us. We would love to post them on our website.

NCPA.CO

We look forward to seeing you all at the 2021 Training Institute. Stay strong, stay safe, and stay protected.

  
John Lanier,  
NCPA President 2020
