A MESSAGE FROM NCPPA PRESIDENT EMILY PATTON:

On behalf of the NCPPA executive board I would like to thank you for your participation and continued support of our organization. 2023 has been a wonderful year for NCPPA and it was all made possible because of you. Division boards worked hard and hosted many training events that provided relevant and necessary information as well as networking opportunities. I am looking forward to what 2024 holds for our organization. At the 2023 Training Institute in Wilmington, NC, and by email, your voices were heard, and votes were made by members to elect their new representatives. It is my great pleasure to introduce you to your new NCPPA Executive Board for 2024. Please lend them your support as they transition into their new roles. The new Executive Board will take effect on January 1, 2024, and plans are already being made for things to come. I am proud of the work that is being done and I'm excited to see how NCPPA grows.
